

SACRED TEACHINGS

We are stronger when we paddle together. We are relevant when we know where we are going.
We are wiser when following the Sacred Laws and Teachings.

Relationship

We are one with all things in heaven, the air, land, and sea.

Respect

When we see all things as sacred, our actions are guided with wisdom.

Relevance

In our leadership, we listen and respond to what is being called for.

Responsibility

We stand in our leadership and do our best to fulfill our duties, roles and responsibilities.

Reciprocity

In a sacred world, we learn to express gratitude and appreciation for the gifts given.

Repair

Repair is to make better, to heal, to restore, and to achieve reconciliation.
